

AC-SPA8
8 ports VGA Audio Splitter

AdvanceConnex 8 ports Vga audio splitter feature with 350Mhz amplifier enabling boost up the signal for long distance video transmission with no loss quality and build in audio for each output video display and audio requirements.

Specification:

Signal Resolutions	VGA .SVGA.XGA.QXGA,UXGA
Input port	VGA 1 Port x High Density DB15 (Female) + Audio 1 x Port
Output port	VGA 8 port x High Density DB15 (Female) + Audio 8 x Ports
Video impedance	75Ω
Video gain	0db≤DG≤1db
Max Video Resolutions	1920x1440@85Hz
VGA Bandwidth	350Mhz/-3db
Audio input	2.2Vp-p/20KΩ
Audio gain	-3db≤DG≤0db
Rated power	8 watt
External Dimensions	337x180x70mm
Weight & housing	2000g / Metal housing
Operating Temperature	-10°C-40°C
