

**AC-SP16**  
16 ports VGA Splitter

AdvanceConnex 16 ports Vga splitter feature with 350Mhz amplifier enabling boost up the signal for long distance video transmission with no loss quality.

**Specification:**

Signal Resolutions	VGA .SVGA.XGA.QXGA,UXGA
Input port	VGA 1 Port x High Density DB15 (Female)
Output port	VGA 16 port x High Density DB15 (Female)
Video impedance	75Ω
Video gain	0db≤DG≤1db
Max Video Resolutions	1920×1440@85Hz
VGA Bandwidth	350Mhz/-3db
Audio input	2.2Vp-p/20KΩ
Audio gain	-3db≤DG≤0db
Rated power	10 watt
External Dimensions	337×180×70mm
Weight & housing	2800g / Metal housing
Operating Temperature	-10°C-40°C
